# WAVE STYLE

With the newly released PLEATING TAPE (inside a track) and WAVE ROLLERS, you can enjoy the wave style with a flat curtains and curtain rails as usual.

Curtain Rail : NEXTY ASH GRAIN    Curtain Wand : clear color

Find more information for Wave Style →

Available Manual Curtain Rails

NEW DELAC

NEXTY

LEGATO UNI

Also available for motorized curtain rail

→ PROGRESS 25/50

→ Ti-8040

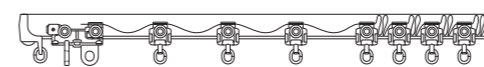

## Invisible "PITCH KEEPER TAPE 80"

12mm width of tape prevent the tape itself come out from track, nor get tangled with rollers.

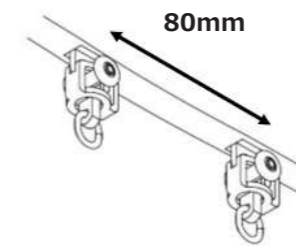

To apply soft material tape (but durable enough), it reduces the rebound of curtain, and prevents the tape come out from the tack.

Gray tape color as unnoticeable design.
